**Period Beginning July 1, 2003 and Ending June 30, 2005**

## **P.L. 105-332, SEC. 134. LOCAL PLAN FOR VOCATIONAL AND TECHNICAL EDUCATION PROGRAMS.**

- (a) **LOCAL PLAN REQUIRED-** Any eligible recipient desiring financial assistance under this part shall, in accordance with requirements established by the eligible agency (in consultation with such other educational entities as the eligible agency determines to be appropriate) submit a local plan to the eligible agency. Such local plan shall cover the same period of time as the period of time applicable to the State plan submitted under section 122.
- (b) **CONTENTS-** The eligible agency shall determine requirements for local plans, except that each local plan shall—

<b>(1). Describe <u>how</u> the vocational and technical education programs required under section 135(b) will be carried out:</b>
--

A grantee that has met the negotiated state Performance Standards and Measures has the discretion to use Perkins funds to address other Goals and Objectives of the Multiyear Planning Document to promote reform, innovation, and continuous program improvement. However, a grantee that has not met one or more of the negotiated state Performance Standards and Measures is expected to focus the resources of their FY2004 Perkins Spending Plan to activities specifically designed to improve performance in these standards.

**INSTRUCTIONS:** Provide a narrative description of how the eligible recipient will achieve the negotiated Performance Standards and Measures and Goals and Objectives. The narrative must cover July 1, 2003 through June 30, 2005. To satisfy this requirement, answer Questions A - C below. Your response to each question must be *double-spaced, using a font no smaller than ten (10) points*. Begin each question (A – C) and answer on a separate page, placing the question as the title at the top of each page.

- A. Based on the academic and vocational/technical program achievement of learners, what were the findings and recommendations of the public input to formulate the Multiyear Planning Document? Describe the provisions to improve academic and vocational-technical education for all learners in all approved vocational-technical education areas.**
- B. How will funding sources (including Perkins funds) be coordinated to meet interested parties' (public input) recommendations?**
- C. Based upon the eligible recipient's current performance rates for all approved vocational-technical education programs, how will the LEA achieve and/or maintain the negotiated State Performance Standards and Measures and Goals and Local Objectives? Include methods and educational instruments the LEA will use (e.g., names of occupational assessments used, post-tests, basic skills, focus groups, individual course analysis) to accomplish the above.**
